Purchasing from Statewide Contr	act Training			
· management of the contract o				

This course will cover all aspects of purchasing goods and services from Statewide Contracts. This course is necessary for all who require a general introduction and orientation to COMMBUYS: to search contracts, create and track requisitions, and process purchase orders. Anyone involved in purchasing from Statewide and/or Departmental Contracts should attend this course. At the conclusion of this course each attendee will be able to complete basic navigation within COMMBUYS, be able to identify and understand key terminology, be able to create requisitions, create Purchase Orders and track the purchasing cycle. This course will also enable attendees to use the Advanced Search Features to locate contracts and vendors, input addresses, attachments, reminders and notes.

Bid documents enable Basic Purchasing users to conduct solicitations. Users complete Bids by defining the solicitation process to be used, indicating the relevant dates, creating the item(s) that can be bid upon, identifying vendors to notify, and attaching the appropriate terms, conditions, instructions, etc. Once approved, Bids can be published on the web to enable electronic response by registered vendors. After the response time has ended, Bid responses can be viewed, evaluated and awarded via the Bid Tab.
